

# 11 ARE INJURED IN SIX MISHAPS; 3 MEN JAILED

Damage totalled approximately \$3,500 and eleven persons were injured in six auto accidents investigated by state police over the weekend.

Two of those hurt were pedestrians on a sidewalk in Arendtsville. They were struck by an auto which collided with another in the "square" and then spun around and climbed the sidewalk, striking the two men.

State police said Edward N. Keefe, 29, Aspers, was traveling north on the Mummansburg Rd. and failed to halt at the stop sign. His car, according to police, crashed in the Arendtsville square into a sedan headed west operated by Marie E. Sabo, 39, Biglerville.

Keefe's vehicle spun around, according to police, and its rear went up over the sidewalk near Bushman's store and struck William H. Robinson, 39, Biglerville, and Isaac Moore, 18, Biglerville, knocking them to the pavement.

Flees From Scene

According to police Keefe then continued south, to Beecherstown. Two witnesses to the accident gave chase and brought Keefe back to Arendtsville while police and the ambulance were summoned.

Removed to the Warner Hospital Robinson was found to have a laceration of the skull and other head injuries. Moore suffered a possible fracture of the right foot.

Police brought Keefe before Justice of the Peace John H. Baschore here where he paid a \$5 fine and costs after pleading guilty to a charge of failing to stop at a stop sign, and was committed to jail in default of \$500 bail on a hit-and-run charge. Police indicated other charges may also be brought. Damage was estimated at \$800 to the Sabo car and \$200 to Keefe's vehicle.

Four persons were injured in a crash at Van Dyke's corner, four miles north of here on the Biglerville Rd. at 2:40 o'clock Sunday afternoon when cars operated by Rhoda F. Shultz, 45, Orrtanna R. 1, and Janet Malehorn, 18, Finksburg, Md., collided.

Cars Are Demolished

State police said Mrs. Shultz had only six days driving experience. The car she was operating was owned by Glenn Shultz, Orrtanna R. 1.

According to police Mrs. Shultz was driving west on the Mummansburg-Goldenville Rd., stopped at the intersection with the Biglerville Rd. and then proceeding into the intersection was struck by a northbound car operated by Miss Malehorn. Both cars were demolished. Damage is estimated at \$400.

William Smith, driving a Little Cab, appeared on the scene moments after the crash and used the two-way radio system of the cab company to call the ambulance, state police and a tow truck.

5 Are Injured

Miss Malehorn was treated at the hospital for bruises of both knees. David Brinkerhoff, 14, Gettysburg R. 1, a passenger in her car, also was treated for injuries as was another passenger in her car, Guy Livingston, 21, Gettysburg R. 1 who had bruises of the right knee and right hand. Richard Shultz, 12, Orrtanna R. 1, a passenger in the Shultz auto, suffered bruises of the left shoulder.

Calvin Sager, 28, York Springs R. 2 suffered a possible fractured skull and Della Eisenbooth, 55, Dover R. 4 had abrasions of the knee and forehead when two cars sideswiped Sunday three miles east of Heidlersburg on the East Berlin Rd., state police reported.

Sager was traveling east when the cars crashed. Damage to his 1955 sedan was estimated at \$1,600. The hood, left front fender, grill and left front door were smashed and the frame bent. Damage was \$800 to the westbound car of Edward H. Eisenbooth, 60, Dover R. 4 which

# 200 At Campfire Program On Sunday

More than 200 persons attended the second in the summer series of Campfire programs Sunday evening on E. Cemetery Hill when Col. J. B. Jarrett, curator of the Army Ordnance museum at the Edgewood Arsenal, Aberdeen, Md., presented a color film on the Battle of Gettysburg.

He showed battle maps giving troop positions as they approached Gettysburg and other maps that showed positions of various units during the battle. He included battlefield scenes and some posed "action" shots at Devil's Den and other parts of the field.

Next Sunday a Walt Disney sound and color film on "Seal Island" will be shown.

# IRON SPRINGS MAN JAILED FOR FIRING SHOTGUN

Earl Moritz, 50, Iron Springs, was jailed on charges of aggravated assault and battery filed before Justice of the Peace Robert P. Snyder by state police, after Moritz allegedly fired a shotgun at a man and three youths near his home at 11 o'clock Sunday morning.

As police told the story, Moritz had been a victim of tampering to his mail box and fence gate along the road near the railroad overpass near Iron Springs.

Paul Bobo and Robert Reese, 14, both of Iron Springs, were driving near the Moritz house when their auto had a flat tire, police said. Bobo and Reese got out of the car, near Moritz's gate and started to fix the tire.

Moritz told police that he saw the two from his home, across the creek about 50 yards from the gate, and believing they were tampering with the gate and mail box, fired a 12 gauge shotgun in their direction. One of the pellets struck Bobo in the extremely lower back. The pellet bruised but did not penetrate the skin. Several pellets clipped paint from the car.

Two Others Wounded

Two Baltimore youths, James H. Sullivan, 16, and Dale Benedetto, 14, vacationing nearby, were attracted by the shot and went to the Moritz place where they were also greeted by a shotgun. Pellets hit Sullivan's right leg and Benedetto's ring finger

# 15 Men Burned To Death When Texas Petroleum Tank Explodes

DUMAS, Tex. (AP) — A burning petroleum tank exploded into a towering mass of white-hot flames that seared 15 men to death in an instant yesterday. Four others died later from horrible burns.

At least 31 others were burned by the blast that shot an orange fireball thousands of feet high and scorched a quarter-mile radius.

Spectators saw friends and relatives stumble moaning and crying, their clothing afire, from the smoke and flames at the Shamrock Oil & Gas Corp. tank farm. Ensuing explosions burned and shattered three other big storage tanks and blackened others nearby.

Says Bodies "Exploded"

"The fiery blast snuffed out their lives and they crumpled in their tracks," Editor Bill Lask of the Moore County News said.

Bob Hamilton, a News reporter, said his hair almost caught fire 200 yards from the explosion. A shirtless boy stumbled out with

# W. C. JESTER JR. DIES TODAY IN WASHINGTON

William Clayton Jester Jr., 28, Arlington, Va., only son of Mr. and Mrs. W. Clayton Jester, Biglerville Star Route, died early this morning in the Georgetown Hospital, Washington, D. C., after a brief illness.

Death was due to uremic poisoning.

A native of Elkins, W. Va., Mr. Jester was a graduate of the Biglerville High School in the class of 1945 and played varsity football and basketball at the school. He was graduated from the University of Maryland and for the last two years had been employed in the sales division of the Shaw-Walker Company of Washington, D. C.

He was a veteran of two years of service in the Army and served a year in Korea.

Mr. Jester was a member of the Gettysburg Presbyterian Church.

Surviving are his widow, the former Cynthia Clayton, to whom he was married last December 3, and his parents.

# R. J. SANDERS, MISS MENTZER WED SATURDAY

In a setting of pink and white gladioli, Miss Patricia Ellen Mentzer, daughter of Mr. and Mrs. William Mentzer Sr., Lancaster, became the bride of Robert J. Sanders, son of Mr. and Mrs. Charles L. Sanders, 406 S. Washington St., Saturday morning at 11 o'clock in St. Francis Xavier Church at a nuptial mass.

The assistant pastor, Rev. Fr. Wallace E. Sawdy, officiated at the ceremony before an altar banked with pink and white gladioli and lighted candles.

Miss Nancy Ramey, Gettysburg, the soloist, sang "Panis Angelicus," "Ave Maria" and "O Lord I Am Not Worthy." She was accompanied at the organ by Miss Patricia Sanders, Gettysburg, sister of the bridegroom, who played wedding marches by Carlo Rossini.

The bride given in marriage by her father wore a white lace ballerina-length gown over taffeta and a fingertip-length veil and carried white roses.

In Wedding Party

Her matron of honor, Mrs. Richard Sanders, York, wore a rose ballerina-length gown fashioned with a lace bodice and a net skirt over taffeta. She wore a white lace hat and white accessories and carried white carnations and pink roses. The bride attendant, Mrs. Lloyd Hawbaker, Gettysburg, wore a yellow ballerina-length gown in a similar design and carried white carnations and yellow roses.

Miss Carol Hawbaker, Gettysburg, a niece of the bridegroom, was the flower girl. She wore a floor-length gown of white nylon over taffeta and carried a basket of mixed summer flowers.

Richard Sanders, York, was best man for his brother and the ushers were Kenneth and James Welsh, Lancaster, his cousins.

Reception For 100

Mrs. Sanders, the bridegroom's mother, wore a beige taffeta print dress with white accessories. Mrs. Mentzer appeared in a rose lace dress with white accessories. Each wore a corsage of white rosebuds.

A reception took place in the church social hall after the ceremony for about 100 guests. Later the couple left for a week's honeymoon in Atlantic City. They will live at 731 E. Chestnut St., Lancaster.

The bridegroom, a graduate of Gettysburg High School, served four years in the U. S. Navy. A veteran of the Korean War, he is employed at the Letterkenny Depot, Chambersburg.

# Brain Surgery For Linda Mehring Today

Little Linda Mehring, daughter of Mr. and Mrs. Robert Mehring, Hanover, who suffered a depressed fracture of the skull and a broken wrist in a fall at her grandfather's barn near Gettysburg last Wednesday afternoon, will undergo brain surgery today at the Harrisburg Polyclinic Hospital where she was taken by ambulance after Warner Hospital x-rays last Wednesday.

The child improved over the weekend and this morning her condition was "satisfactory."

Linda fell through a hay hole in the barn at the home of her grandparents, Mr. and Mrs. Walter Mehring, Gettysburg R. 2.

# MERCHANTS ARE PLEASED WITH BIG SALE DAYS

A Lemoyne woman, Mae Albright, was the grand prize winner Saturday night in the semi-annual presentation of awards in connection with Gettysburg Sale Days. She will receive a \$259.95 Frigidaire automatic washer.

The grand prize winner was one of hundreds of persons who took advantage of the Gettysburg Sale Days Friday and Saturday to secure top quality merchandise at the lowest possible cost.

David Blocher, president of the Retail Merchants Association, sponsor of the Sale Days, today expressed his appreciation to both merchants and customers in connection with the Sale Days events.

"Most Successful"

"It was one of the most successful Sale Days we have ever had," President Blocher said. "The town was crowded both Friday and Saturday and the merchants presented some of the finest values I have ever seen. The best proof of the success of the Sale Days was reported by the secretary of the Retail Merchants Association, Frank Hower, who provided more tickets to the merchants for distribution to their customers than in any prior Sale Days event."

# Urge New Board To Control Suez Canal; Britons Favor Armed Force Against Egypt

LONDON (AP) — American support was asked today for a plan to set up an international board, on which Russia would be represented, to control the Suez Canal and guarantee freedom of passage for the ships of all nations.

British and French sources said the plan, designed to counter Egyptian President Nasser's seizure of the canal, was placed before policy makers of the three Western powers, meeting here in a crisis atmosphere.

In effect it would recognize Egypt's nationalization of the canal, but would superimpose a guarantee of its international use.

A rising clamor in the British press demanded the use of armed force, if needed, to answer Nasser. Hundreds of onlookers thronged around Downing St. where British Prime Minister Eden met with his Cabinet and military chiefs.

The Cabinet session preceded a second conference of British Foreign Secretary Selwyn Lloyd, French Foreign Minister Christian Pineau and U. S. Undersecretary of State Robert Murphy, who examined the Suez question for five hours yesterday.

Informants close to the conference said the plan which the United States is being asked to support would give Egypt, as well as Russia, a place on the Suez control board, and that Egypt would be guaranteed a share of the revenue from the operation of the waterway.

Russia was a signatory of the nine-power convention of Constantinople in 1888 which guaranteed the canal would be open to ships of all flags in peace and war.

Alarm of Britons and Frenchmen over the fact Egypt's nationalist revolutionary leader has their oil and commercial lifeline to the Middle East and Far East at his mercy was the basis of the proposal.

In a speech in Paris, French Premier Guy Mollet told reporters France's reply to Nasser's coup would be an "energetic and severe riposte," a fencing term meaning a quick thrust. He compared Nasser's methods to those of Hitler.

In Cairo, U. S. Ambassador Henry Byroade met with Nasser for 90 minutes. It was their first talk together since the United States announced 10 days ago the withdrawal of its offer to help finance Egypt's Aswan Dam. The two met at Nasser's request. Neither side indicated the topic of the conference.

There were signs of revolt among Eden's own Conservative party in the House of Commons should he fail to produce effective retaliatory action.

# BUYS MONUMENT BUSINESS HERE

Mark E. Gingrich, 29, Lebanon, has bought the Gettysburg Monumental Works from Mrs. Sara E. Sohl, West York, and will take over the business August 1.

The business, founded by the Meals family here 125 years ago, has been operated by Mrs. Sohl since the death of her husband, Raymond F. Sohl, 16 months ago. He had been in business here for the five years preceding his death. Mrs. Sohl expects to return to her profession as a registered nurse.

Gingrich, whose father was in the monument business as a paratrooper during World War II. Two brothers are in the monument business also. They are Elbert V. in Lebanon and Russell B. in Middletown.

Mr. Gingrich and his wife, A. June, have moved to Gettysburg and are living at the Adams House. Gingrich was a director of the Lebanon Junior Chamber of Commerce.

Howard T. Marling, who has been local representative for Mrs. Sohl, will continue to assist the new owner of the business.

# 9,907 VISITORS HERE

Approximately 9,907 persons visited Gettysburg over the weekend, according to the figures reported by the National Park Service. Saturday 4,457 persons were here, 4,402 in cars and 55 in two buses. Sunday 5,450 tourists came here, 5,342 in cars and 108 in three buses.

# Two Gunmen Hold Up Carlisle Gas Station

CARLISLE, Pa. (AP)—Two gunmen held up a service station attendant today and fled with \$196 in a two-door black sedan with a white top.

The attendant, John W. Keim Jr., told police the two men stopped at the service station, bought some gasoline and then demanded money as he opened the cash register.

One of the men, about 5 feet 8 inches, wore a cowboy hat, black jacket and black trousers and walked with a limp. The other, about 6 feet, weighed about 165 pounds.

# COURT GRANTS HIGHLAND TWP. ROAD REQUEST

An opinion handed down in Adams County court today by Judge W. C. Sheely in the matter of the road location in Highland Twp., on which a hearing was held in court July 16, approves the petition of the township's board of road supervisors for approval of re-location of a township road and the vacation of the old location.

"It appearing that the cost to the township would be less than \$1,000 and that all property owners affected have agreed, the petition of the supervisors for approval of the relocation of the road must be granted," the court wrote.

The board of supervisors had filed a petition asking the court to approve the re-location of a section of the road leading from the Knoxlyn-Orrtanna Rd. to the McKnightstown-Herter's Mill Rd. and the vacation of the old road. The section to be vacated extends for 309 feet from the Orrtanna Rd. intersection and will be supplied by a new section of road leaving the Orrtanna Rd. 159 feet farther west. All of the land on both sides of the road to be vacated is owned by W. E. Minnick who has agreed to the re-location and has offered land for the new road. He also offered the township \$200 toward the expense of the re-location.

Not Ruling On Advisability

Reasons assigned for the petition are that the old road is close to Marsh Creek and is sometimes flooded, that rocks block the vision at the intersection that is involved and that the new location for the road would be on higher ground.

# Nineteen Teen-age Climbers Fall Into Mountain Crevasse

TIMBERLINE LODGE, Ore. (AP)—Nineteen teen-age climbers plunged into a crevasse on Mt. Hood's icy slopes yesterday. One was killed and more than a dozen injured.

Doctors worked all night and into today on the mountaineers trying to save those gravely hurt.

Some of those hurt lay for hours at the lip of the crevasse as doctors worked over them. Others, who could be moved more readily, were brought by snow tractor to Silcox warming hut 2,000 feet down from Crater Rock about 1,000 feet above this resort lodge.

Lynn Kaufman, 16, of Larchmont, N. Y., died of suffocation, said Dr. Matthew Mirkovich of Los Angeles. He was vacationing here and was one of the first to reach the scene. She was driven deep into the snow as her companions dropped into a jumbled pile in the bottom of the crevasse.

Down Icy Chute

They had slid a hundred feet or more down an icy chute, then plunged into the crevasse. Some said the final drop was 40 feet. It dashed them onto a rock-strewn floor.

One climber who saw them said they all were joined together with about 100 feet of rope and suddenly two of those at the back of the line lost their footing.

Tom Pfau, 35, of Salem, Ore., who saw them fall, hurried to them. They were crying and moaning, he said, and all were

# Stassen Sees President At Farm; Still Is For Herter

By MARVIN ARROWSMITH  
GETTYSBURG, Pa. (AP)—Harold E. Stassen conferred here today with President Eisenhower. He declined afterward to say whether they talked about Stassen's proposal that Gov. Christian Herter be chosen as Eisenhower's vice presidential running mate.

Stassen flew here this morning for a surprise meeting with Eisenhower—their first since Stassen proposed a week ago today the nomination of Herter, rather than Vice President Nixon, for the No. 2 spot on the Republican ticket.

Stassen, who is Eisenhower's aide on disarmament matters, would not even say whether he and the President talked about the Stassen plan.

The President has made no public comment on the matter.

Peppered With Questions

At an airport news conference after an hour at the Eisenhower farm here, Stassen was peppered with questions from newsmen wanting to know Eisenhower's views regarding Stassen's proposal for putting Herter on the ticket.

"I am not going to characterize the President's position," Stassen replied.

Indications are the President Wednesday will hold his first news conference since he underwent major abdominal surgery June 9. A reporter asked Stassen whether he expected Eisenhower to discuss the Herter-Nixon situation at that conference.

"That is entirely a matter for the President and his press secretary," Stassen said.

Returns Tuesday

Stassen spent about 20 minutes with the President at the farm. He had to wait for some time to see the President because the chief executive was preoccupied signing 26 bills, 20 public bills and six private measures.

At a news conference in the Hotel Gettysburg press room after Stassen returned to Washington, Murray Snyder, assistant White House press secretary, refused to add anything further to the Stassen conference.

He said the President is expected to return to Washington early Tuesday morning and that he will hold a press conference Wednesday morning.

Stassen's surprise arrival a few minutes after 10 a.m. came just a week after he first advocated that Herter rather than Vice President Nixon be nominated for the No. 2 place on the Republican ticket.

Stassen stepped from Eisenhower's personal plane with a big smile on his face. He carried a bulky brief case.

Asks For Appointment

Newsmen asked Stassen whether Eisenhower, who came to his country estate here Saturday for a long weekend of rest, had requested the visit.

"No, I asked to see him," Stassen replied. "I requested the appointment on Saturday."

Stassen was driven immediately to the Eisenhower farm about six miles from the airport.

It was his first conference with Eisenhower since July 20.

## COUPLE WEDS SATURDAY IN MT. HOPE CHURCH

Miss Nancy Alyce Metz, daughter of Roy E. Metz, Fairfield R. 1, and the late D. Ethel Metz, was married Saturday to Leon Nelson Gelwicks, son of Mr. and Mrs. R. Selbert Gelwicks, Chambersburg. The Rev. Roger E. Burtner, pastor of the Mt. Hope EUB Church, performed the double ring ceremony at 2 o'clock Saturday afternoon at the Mt. Hope Church.

Given in marriage by her father the bride wore a white glazed cotton street length dress with a shoulder length illusion net veil attached to a tulle of sequins and pearls. She wore a white orchid corsage.

The attendants were the bride's brother and sister-in-law, Mr. and Mrs. Thomas E. Metz, Windbriar Lane, R. 2, Mrs. Metz, the maid of honor, wore a blue cotton street length dress with white accessories and a carnation corsage. Thomas E. Metz was the best man.

**Reception Is Held**  
Mrs. Gelwicks, mother of the groom, was attended in a navy blue street length dress with white accessories and a white rosebud corsage.

A reception for 30 guests of the immediate families was held on the lawn of Mr. Metz's home. After the reception the couple left for a wedding trip to the Smokey Mountains in Tennessee. For her going-away outfit, Mrs. Gelwicks wore a pale blue cotton cord suit made with a sailor collar and three quarter length sleeves. She also wore a orchid corsage. When they return from the wedding trip Mr. and Mrs. Gelwicks will reside at Fairfield R. 1.

Mrs. Gelwicks is a recent graduate of the Fairfield Joint High School. Her husband, a graduate of the Chambersburg High School, is employed in the office of the Landis Tool Company, Waynesboro.

## MRS. BRENZER DIES ON SUNDAY

Mrs. Fannie (Snyder) Brenzer, 82, a lifelong resident of the Fairfield area, died Sunday afternoon at 2:51 o'clock at the home of Mrs. Harry Pecker, Fairfield R. D., with whom she had resided for some time. She had been in ill health for several months.

A daughter of the late Adam and Harriet (Biesacker) Snyder, she was preceded in death by her husband, the late Heber Brenzer. Surviving are two sisters and a brother: Mrs. Mary Hoofnagle, Baltimore; Mrs. Elizabeth Crouse, Gettysburg; and John P. Snyder, Cape Vincent, N. Y. Also surviving are nine stepchildren, and several nieces and nephews.

She was a member of St. Mary's Catholic Church, Fairfield, and of the unit of the National Council of Catholic Women of that church.

## LUTHER RITTER, OF LITTLESOWN, HEADS ATO UNIT

Luther Ritter, Littlestown, was reelected president of the board of trustees of the Alpha Tau Omega fraternity (Gettysburg chapter) House Association at a meeting held Saturday. There were Sunday sessions also in the local chapter house. Ritter is a 1933 Gettysburg graduate.

Although the board meets several times a year, this was its first two-day conference. The members of the board and their wives lived in the fraternity house during the weekend, marking the first time any Gettysburg fraternity has experimented with this procedure.

Arthur S. Sipe, '26, Drexel Hill, was elected corresponding secretary, and Dr. Clarence L. S. Raby, '09, Gettysburg, was reelected executive secretary.

Other members attending the conference were William H. Menges, '96, Hanover; Dr. Herbert Rhoad, '03, Annyville; Dr. John B. Zinn, '09, Gettysburg; M. L. Valentine, '12, Wilmington, Del.; Dr. Robert Fortenbaugh, '13, Gettysburg; Robert H. Fryling, '43, Pittsburg; Snyder Erb, '49, Hanover; William Snyder, '50, Hanover; Philip Waltersdorf, '50, York, and Harold Welsh, '27, McConnellsburg. Welsh is an ATO Province Officer.

## COURT GRANTS

(Continued from Page 1)  
ground, farther from the creek and with an unobstructed view.

In the seven-page opinion the court refers to road laws that apply and cites other background and held:

"In other words, the determination by the supervisors as to the desirability of the improvement is not subject to question before the court, at least, in the absence of fraud or misconduct on their part, the only question before the court being whether the conditions prescribed by the statute exist. The only property owner whose property abuts on the road here proposed to be vacated is W. E. Minnick, and since he has agreed to the vacation of the old road the other parties appearing in opposition to the relocation have no standing to except to the supervisors' petition.

**Reviews Objections**  
"An examination of the objections to the road made by the contestants indicates that the main objection is that the money required for the relocation could be better used on other roads of the township, particularly those roads which are used by school buses. One of the contestants appeared on behalf of the school board and testified that the supervisors in the past had failed to improve certain school bus roads and had contended that they had exhausted their money. (The school board had no standing to object since it was not a property owner affected.) It obviously is not within the province of the court to dictate to township supervisors when and how they should expend the township moneys. They are elected public officials charged by law with certain responsibilities, among which are the care and maintenance of roads, and their official acts cannot lightly be set aside. It was never the intention of the legislature that the court should exercise supervision of the supervisors or that the courts should substitute their judgement for that of the supervisors any more than it was its intention that the court should supervise actions of the school boards legally taken. If the proposed project is within the terms of the statute the supervisors have the final authority to determine the advisability of adopting the project.

"The members of the school board are justifiably interested in seeking to have roads traversed by school buses maintained in the best possible condition but they cannot attain this objective by objecting to the expenditure by the supervisors of money on other roads. If the supervisors fail to maintain school bus roads, or other roads, in a proper condition the parties aggrieved have their remedy by appropriate action.

"Another objection was that the improvement was not necessary as the present road is in a satisfactory condition, or in a better condition than some other roads of the township. Admittedly, however, the road is flooded at times and the view of approaching traffic at the intersection is obstructed by rocks on either side of the road, so that there is some basis for the determination by the supervisors that it is desirable to relocate the road and, as shown above, this is within their power.

**Cost To Township Governors**  
"The proposed relocated road is to be 33 feet wide with a spread to 60 feet at the intersection, while the old road is open to only 22 feet. A question was raised as to the necessity for a road of this width. Section 5 . . . requires that the width of a public road shall be not less than 33 feet and this requirement must be met in the new section regardless of the established width of the old road.

"Another objection was that the relocation was an unnecessary expense to the taxpayers and that the road would cost more than \$1,000. As indicated, the necessity was for the supervisors to deter-

mine if the cost and expense to the township would not exceed \$1,000. One witness estimated the cost at \$2,000; another said that \$1,000 would not improve conditions; and the supervisors estimated the cost at less than \$1,000 based partly on an estimate from Leonard Shealer that the road could be cleared with a bulldozer in fifteen hours at a cost of \$7.00 per hour. While we have nothing except the estimation of the witnesses, the question of cost becomes relatively unimportant in this case since Mr. Minnick has agreed to contribute \$200 toward the cost of the improvement and the County has agreed to pay \$818 from liquid fund funds therefor. Therefore, if the supervisors are correct in their estimate the cost to the township would be nothing, and if Mr. Woods' estimate of \$2,000 is correct, the cost to the township would still be less than \$1,000. It is the cost to the township and not the cost of the improvement which governs."

## Stassen Sees

(Continued from Page 1)

On that day, which was a Friday, Stassen had said he told the President of his intention to come out publicly for Herter. Stassen did so the following Monday.

There has been no indication so far as to Eisenhower's reaction to the Stassen proposal, but Stassen has given the impression at least that Eisenhower made no attempt to dissuade him from backing Herter.

**Acted Privately**  
The White House has said that Stassen acted as a private individual and not in his official capacity as Eisenhower's aide in charge of disarmament problems.

While Stassen did not say specifically on arrival here today that he would discuss his Herter proposal with the President, neither did he deny that such was his plan.

Asked what he planned to talk to Eisenhower about, Stassen replied with a smile:

"I never discuss what I talk to the President about."

Asked then whether his Eisenhower-Herter proposal would be discussed, Stassen said:

"I would say that we probably will cover a number of subjects."

The next question was whether Stassen was still backing Herter for the vice presidential nomination.

"That's right," Stassen shot back, adding:

"Eisenhower-Herter that is."

"Do you think he (Herter) will be nominated?" a newsman asked.

"I have no more comment," Stassen said as he climbed into a car for the drive to the Eisenhower farm.

President Eisenhower arrived in Gettysburg at 11:58 o'clock Saturday morning. He flew here in the twin-motored Aero Commander plane. He was accompanied by General Howard M. Snyder, his physician, and assistant press secretary, Murray Snyder.

He was met at the airport by Mrs. Eisenhower.

Saturday was a restful day for the President.

Sunday morning he and Mrs. Eisenhower attended services at the Gettysburg Presbyterian Church and the rest of the day was devoted to rest and relaxation. There were a few friends in to see the Eisenhowers over the weekend.

The President is expected to return to the White House early Tuesday morning.

## Littlestown 50 SCOUTERS AT HAPPY VALLEY CAMP SUNDAY

Approximately 50 were present at the picnic for Littlestown Brownies and Girl Scouts and their families, on Sunday afternoon at Camp Happy Valley, the Adams County Girl Scout Council's campsite, near Fairfield. All present participated in the opening and closing flag ceremony, for which the color guard consisted of Wilma Baughman, Donna Morelock, Jean Sautz, Judy Blocher and Susan Bortner. The flag used for the occasion is being presented to Camp Happy Valley by the Senior Girl Scout Troop of the community, recently graduated, of which Mrs. Charles E. Rabenstein was leader.

A softball game took place during the afternoon, followed by a treasure hunt in charge of Jean Sautz and Judy Blocher. Picnic lunches were brought by each family, and were enjoyed indoors in the large barn on the campsite. Group singing followed the meal. Troop leaders and committee members in attendance were Mrs. Carroll E. Arter, Mrs. Robert H. Miller, Mrs. Walter A. Morelock Jr., Mrs. John Kump, Mrs. William R. Keefer, Mrs. Harold S. Roberts, Mrs. Paul E. Altoff and Mrs. Charles E. Ritter.

**Ladies' Aid Meets**  
Twenty-five members and three visitors were present at the July meeting of the Ladies' Aid Society of St. John's Lutheran Church on Thursday evening in the church social hall. The program was in charge of Mrs. Donald Reaver and Mrs. Fred King, and was as follows: Group singing, accompanied by Miss Kathryn Shriver; responsive reading, led by Mrs. Reaver; marimba selection, Miss Kathy Miller; poems by the members; autoharp solo, Miss Kathryn Shriver; Lord's Prayer in unison.

The business period was conducted by the vice president, Mrs. George W. Streig. Mrs. Edwin L. Harget, secretary, gave her report. It was announced that there will be no meeting in August. The next session will be held Thursday, September 27, at the church, with the program in charge of Mrs. Noah Streig and Mrs. Ralph Wantz. Hostesses will be Mrs. Frank Holinger, Mrs. John Spangler, Mrs. John R. Hawk and Mrs. Jesse Bair. At the conclusion of the July business, refreshments were served by Mrs. Raymond Reinaman, Mrs. Oliver Erb and Mrs. Edwin Harget.

Visitors this week with Mrs. Emma Spalding, W. King St., are Mrs. Lillie Crouse and Mrs. Clara Keefer Yingling, Baltimore, formerly of town. Mrs. Spalding and her guests spent the weekend with Mrs. Laura Jones at her summer cottage, Orrtanna R. D.

Mr. and Mrs. Jack Pauling, Elizabethtown, visited during the weekend with her parents, Mr. and Mrs. Lloyd Reaver and family, N. Queen St.

The Rev. Alvin J. Forry, Keller's Church, Bucks County, a son of Christ Evangelical and Reformed Church, pronounced the benediction at the close of the Sunday morning worship service in Christ Church. The Rev. Mr. Forry and family spent Sunday in Littlestown.

The pastor, the Rev. G. Howard Koons, presented the sermon. The choir sang the anthem "Give unto the Lord, O Ye Mighty," Elizabeth Woert, Melvin L. Spangler, Harold L. Welk, Edward L. Warner and Cleason L. Messinger served as ushers. The bulletins were given by Mr. and Mrs. Ray F. Slaybaugh in honor of the 21st wedding anniversary of her parents, Mr. and Mrs. Reynold A. Ridinger. The secretary-treasurer of the trustee committee, Bernard W. Dutterer, announced that the Cemetery Fund has received donations from Mr. and Mrs. William Wherley and Mrs. Emma Kuhn. The pastor announced that empty jars in the vestibule are to be taken to be filled for the Hoffman Orphanage and Homewood Church Home for the Aged.

The Sunday School superintendent announced the appointment of the following Rally Day committee: Harold E. Shoemaker, LeRoy W. Berwager, Ralph I. Unger, Ralph L. Snyder, Fred N. Warner and Miss Audrey J. Bankert.

### Picnic August 4

There will be no worship service in Christ Church next Sunday, August 5, as is the usual custom on the day following the annual Sunday School picnic. However, there will be Sunday School on August 5 at 9:15 a.m. The next worship service will be on August 12, 10:30 a.m.

Members are asked to volunteer their help for the picnic on Saturday, August 4. Public suppers will be served in the grove auditorium, beginning at 3 p.m. Roasters for preparing the chickens should be taken to the homes of Ralph I. Unger or Harry C. Wildasin sometime before Thursday. Items for the bazaar table should be taken to the table early on Saturday so that they can be arranged for selling. Proceeds from the table will go into the building fund of the church, as will the menu bulletin proceeds.

### TO ATTEND VIEWING

Members of the local Moose Lodge will meet at the Moose home this evening at 7 o'clock to go as a group to the Peters Funeral Home for the viewing of Arthur O. Martin.

## Faulkner Nemed Bigler Grid Coach

Tom Faulkner, Upper Darby, a former Gettysburg College football star, has been elected head football coach at Biglerville High School, it was announced today.

Faulkner, who will teach social studies, will also assist in wrestling and track.

The former Buliet athlete served in the armed forces for two years and graduated in 1954. For the last two years he taught at West Philadelphia Junior High and also coached at St. Joseph's Academy, Philadelphia.

also had a bent frame and hood, grill and front fender smashed. The injured were removed to the Warner Hospital.

### Runs Off Road

Howard W. Geisler, 29, Gettysburg R. 5, suffered lacerations of the forehead and lips and a bruised right leg when his car ran off the Emmitsburg Rd., six miles south of here at 2:05 o'clock this morning.

Police said Geisler was driving north when he fell asleep. His car went off the right side of the road, crossing lawns of John R. Reaves Jr., C. F. Douglass and Robert S. Stahley, all of Gettysburg R. 2, then crossed the highway and smashed into a stone fence, police said. Damage to the car was estimated at \$350 and \$50 to the lawns and shrubbery. Geisler was removed to the Warner Hospital by the investigating officer.

Donald K. Steiner, 17, Gettysburg R. 4, suffered cuts and bruises of the left knee and leg and shock, when his car ran off the Lincoln highway four miles east of here early Saturday morning.

Police said Steiner fell asleep while traveling east and his car left the highway, knocked down a mail box at the home of George Hummel, Gettysburg P. 2, crossed Hummel's lawn, struck a Metropolitan Edison pole, then continued on, coming to rest in a ditch up against a tree.

Damage was estimated at \$250 to the car, \$50 to the utility pole and \$20 to the Hummel property.

### Two Men Jailed

Two men went to jail and one was injured in an accident Saturday afternoon at 2:50 o'clock one mile north of here on the Harrisburg Rd.

Police arrested the one driver, William H. Outlaw, 29, Washington, D. C., for driving while under the influence of intoxicants and arrested his companion, the owner of the car, Samuel Johnson, also of Washington for permitting an intoxicated person to operate his car. Both were charged before Justice of the Peace Robert P. Snyder and then committed to jail in default of bail.

According to police Outlaw's car, headed south, crossed the center lane and struck a north-bound vehicle operated by H. Max Fidler, 44, Lebanon R. 4.

Police surmise that Outlaw may have fallen asleep while driving, for he fell sound asleep while being treated for lacerations of two fingers and his left elbow at the Warner Hospital following the crash. After the accident, the Outlaw car went a short distance from the scene before stopping. Police said they feel that the car stopped itself, for it was inoperable after the crash. Damage was estimated at \$450 to each car.

## Repairs Curtail Supply Of Water

Because of major repairs on the standpipes, Littlestown residents have been urged by town officials to take every precaution to prevent fires and curb emergency demands on the water supply. The water pressure is very low, authorities announced. A constant pressure is trying to be maintained.

Repairs on the pipes, including painting, cleaning and other necessary work, were begun this morning. It will be more than a week before the work is completed.

## Gardners Man Gets Five Days In Jail

Willie Nelson Jr., 22, Gardners R. 2, was given a five-day term in the Cumberland County jail early Saturday by Justice of the Peace James Griest on a charge of driving without a valid operator's license.

The charge was filed by state police, who apprehended Nelson about 4 o'clock Saturday morning on Route 11. The jail terms was imposed when Nelson failed to pay a \$10 fine and costs.

### ACCIDENTALLY SHOT

Bill Johnson, 19, Musselman Camp, Biglerville, was treated at the Warner Hospital for a gunshot wound of his right foot received Sunday evening when he accidentally shot himself with a .22 calibre rifle.

## Nab County Youth For "Drag Racing"

Two youths were arrested by Hanover police for drag racing in the 400-block High St., Hanover, Saturday at 10:30 p.m. and five other motorists were arrested in a speed trap in a 25-mile-per-hour zone Saturday night.

Millard L. Sheet, 20, of Littlestown R. 1, one of the youths in the drag racing, was fined \$25, plus \$5 costs, on a reckless driving charge at a hearing before Justice of the Peace George A. Lipsey, Center Square, Hanover. The information against the other youth, Carroll D. Sneringer, 18, of Hanover R. 4, was filed with Justice of the Peace William Y. Nail Jr., Hanover.

In 1951 the average income of physicians, before office and professional expenses, was \$22,298, a rise of 160 per cent since 1929.

### ORDERED OUT OF TOWN

Joseph L. Cogle, Chambersburg St., charged with disorderly conduct while under the influence of liquor, pleaded guilty this morning and was ordered to leave town after a hearing before Justice of the Peace John H. Bashore. Cogle was arrested Saturday afternoon at about 2:45 o'clock on charges filed by Tom George, Chambersburg St.

### REUNION AUGUST 25

The 26th reunion of the Deardorff family will be held at the South Mountain Fairgrounds August 25 beginning at 12:30 o'clock. ## REPORT DAMAGE TO LOCKUP, JAIL

Robert Woodward, 238 Chambersburg St., a local contractor, was charged with damaging the Ashland lockup and the Schuylkill County jail.

According to reports from Pottsville, Woodward was arrested Sunday night at Ashland by Chief of Police John Snyder and placed in the Ashland lockup in default of \$500 bail on a malicious mischief charge.

When Woodward tore out the washstand and pipes in the lockup and otherwise damaged it, Chief Snyder removed him at 2 o'clock this morning to the Schuylkill County jail at Pottsville.

Officials at the Schuylkill County jail reported that at about 8 o'clock this morning Woodward again went berserk and ripped a light from the cell, sockets from the wall, a heavy lead conduit and used that to batter through a wooden behind the metal barred door of the cell.

Damages at the Pottsville institution were estimated by authorities at \$500. Ashland is 12 miles north of Pottsville.

## ONE HUNDRED YEARS AGO

Died: On Saturday last, after a long illness, Mr. Peter Lutz, of this borough.

On Tuesday last, Ruth Ann, daughter of Robert D. Armor, of this borough, aged about 4 months.

On Saturday night, Mary Catharine, daughter of Mr. Wm. Shilen, of this borough, aged 4 months and one week.

On the 16th inst., in this borough, Edward, son of Zephaniah Rodgers, aged 10 months and 11 days.

On the 17th, John Calvin, only child of Peter and Agnes Epley, of Freedom township, aged 2 months and 10 days.

On the 1st inst., in this county, Miss Louisa Wheeler, aged 18 years and 6 months.

In Baltimore, on the 12th inst., Mrs. — Bushman, wife of Mr. Samuel Bushman, formerly of Gettysburg.

**Obituary:** Departed this life on the 18th inst., at the residence of her father, Mr. John Mehring, of county, Pa., after a brief illness, Mrs. Sarah M. McKinney, aged 20 years and 2 days.

**Notice:** By a resolution of the board of directors of the Gettysburg Railroad Company, notice is hereby given to the stockholders of said road, to pay the third installment of stock, on or before the 12th day of August next, to John H. McClellan, treasurer of the company.

The work on the road is progressing rapidly, and there will be more money required than the third installment would bring in. The board therefore will make a discount at the rate of 6 per cent per annum on all shares paid in advance.

**SEVENTY FIVE YEARS AGO**  
Pennsylvania College: This institution will re-open Thursday, Sept. 8. The faculty is full, and with the re-arrangement made at the last meeting of the board the most satisfactory results may be anticipated. The thorough educational work of Pennsylvania College is attended by the high average character of its graduates, who to-day to a large degree man the faculties of other colleges in various parts of the country.

For catalogue or information address M. Valentine, D. D., President.

**New Oxford:** Unfortunately the energetic and efficient superintendent, Dr. Hendrix, of the M. E. Church S. School, was disabled from attending to the duties on Sunday last, because of a fall from the wagon, bruising him severely, so that he is confined to his room.

The Rev. Dr. Gates, of Great Bend, Kansas, preached on Sunday morning last, in the M. E. Church, one of the grandest sermons delivered for some time in this place. He is a pleasant and forcible speaker.

**Local Items:** Bitten By a Snake: Whilst a Miss King was binding wheat on the farm belonging to Jesse Lease, Esq., of near Bragtown, she was bitten on the arm by a black snake one day last week. She felt no inconvenience from the bite until several days after when it became very sore.

**G.A.R. Encampment:** The Grand Army of the Republic, Department of Pennsylvania, went into camp on Saturday last, in East Cemetery Hill. The Posts from various parts of the state began to arrive in advance of the day fixed for the meeting, those from Tyrone, Altoona and other points coming in on Friday. On Saturday every train brought large accessions, many of the comrades being accompanied by their wives, besides outside parties who took advantage of the low excursion rates to visit Gettysburg.

## Today's Talk

## THINKERS

A most unusual conference was held in Pughwash, Nova Scotia, this summer at the suggestion and as the guests of Cyrus Eaton, native Nova Scotian and noted American industrialist, whose home is in Cleveland, Ohio.

Mr. Eaton invited sixteen college presidents to his former home and told them all to THINK! It was to be a Think conference. I take it that there must have been little said and I am anxious to know if anything new was discovered or turned up from one of the Thinkers. You can't expect too much of such a gathering, because when you Think you don't talk.

Thought has to sink into one's consciousness before it can be translated.

I trust that an enjoyable and profitable mental conference was achieved at Mr. Eaton's THINKfest. I met Mr. Eaton a few years ago and have always admired his initiation of ideas and new viewpoints into the ordinary affairs of life, including many of the great corporations sponsored by this giant salesman.

It would be an excellent idea if many other big men of business would call together a fine group of Thinkers, but I would suggest that they come from some of the big corporations, and from men in the smaller businesses of life, and some who have never been business men, but just good citizens.

The late Thomas Watson built one of the greatest of organizations, and before him, apparently, was this big word, THINK. He was so fascinated by the word that he published a magazine called THINK. The idea worked so magnificently for Mr. Watson that you would have a difficult time improving it. What could be more important than the sight of dozens of stalwart THINKERS — at work!

I believe that Cyrus Eaton justly deserves the honor of being "The Man of the Year" for both Canada and the United States. Maybe it's just sound, deep-down THINKING that is going to save us!

Tomorrow Mr. Adams will talk on the subject "Be Pleasant!" Protected, 1956, by the George Matthew Adams Service

## EXTRAS

When you're building your house take a warning from me. Don't alter or change anything that you see.

When once you've agreed on the cost of the place. Go out of the city and don't show your face.

To the mason, the plumber, the carpenter's crew. For the things they call "extras" will paralyze you.

Should you say: "Put a hook here to hang up my hat." You'll find as an "extra" they've charged you for that.

Should by chance you remark to the boss: "Do you think the gas range should stand where you're putting the sink?"

He will say with a smile: "That's a very good change." But, that's twelve dollars "extra" for moving the range.

Should you fancy white paint where you've ordered it blue.

Right gladly they'll smear on the white stuff for you.

But they're somewhere in hiding a man who keeps books. Who counts up the nails and the bolts and the hooks.

And seeing white paint where the plan called for blue. He puts down an "extra" and bills it to you.

That man is a marvel; he eats not nor sleeps. So strict an account of your orders he keeps.

Should you change but the type of the hinge on a door. That goes down as an "extra" and costs so much more.

So, when building a house alter nothing you see; But beware of the "extras" which bankrupted me.

## ADA SAYS GOP IS GAMBLING WITH NIXON

By D. HAROLD OLIVER

WASHINGTON (AP) — Americans for Democratic Action said today the Republican party will be taking a "dark and dangerous gamble with the nation's future" if it renominates Vice President Nixon.

A staff report on Nixon's record, addressed to delegates and alternates to the Republican National Convention, based the organization's conclusion on what it called Nixon's "many limitations and weaknesses."

"It is a record that shrinks when measured against the needs and responsibilities of America's position in the world," said the 24-page printed document.

Before Stassen  
Preparation of the pamphlet was started before Harold E. Stassen opened his July 23 drive to replace Nixon with Gov. Christian A. Herter of Massachusetts as President Eisenhower's running mate.

But it took note of the Stassen move as "further public expression of deep sense of unease about Nixon" and added:

"This public controversy over Nixon's fitness happened because he has become more controversial, more vulnerable, more expendable than he was in 1952, when the first effort was made to drop him seven weeks after his nomination."

Stassen said he feels certain Herter's name will be placed in nomination for the No. 2 spot on the GOP ticket because "regardless of everything said about me in the past week, the convention is now open."

## Wants Secret Poll

Eisenhower has expressed delight at Nixon's plan to seek renomination, but has not foreclosed the possibility of another running mate. Stassen, Eisenhower's assistant for disarmament, said during a CBS interview he doesn't think Eisenhower has reached a final conclusion.

Asked about a statement of support for Nixon issued over the names of 180 of the 202 Republican members of the House, Stassen questioned its value, adding:

"A secret poll would mean much more. The party itself should take a secret poll, and ask the House members and senators whom they would rather have, Herter or Nixon, assuming both of them would be acceptable to the President. Then you'd get the real answer."

Claims "Pressure"  
Chairman Paul M. Butler of the Democratic National Committee said on an ABC TV program that many of the 180 GOP House members were "pressured" into signing the statement of support for Nixon. He did not elaborate.

The ADA attack on Nixon's record is not likely to have much effect on the attitude of delegates to the GOP convention since many of them have strong antipathy for the organization, an advocate of the principles of the Roosevelt-Truman administrations.

## DISLIKE CASH ALLOWANCES FOR MEDICAL AID

HARRISBURG (AP) — A new study showed today that most persons on relief taking part in a special experiment disliked receiving medical assistance by direct payments of money.

The survey, by the public assistance department, reviewed results of experimental programs in Potter, Snyder and Tioga counties which provided cash allowances for medical care.

Since 1938 the department paid physicians for medical care rendered relief recipients. Three months ago, under federal supervision, the department inaugurated the statement of support for Nixon. He did not elaborate.

"There was interest in knowing how the recipients in the three experimental counties like the program of cash allowances for medical care as opposed to the invoice method," Mrs. Ruth Grigg Horting, department secretary, said.

So questionnaires were mailed all 1,787 persons on relief rolls in the three counties. The cash payment plans, although varying slightly in all three cases, have been in effect 2½ years in Snyder County, 1½ years in Potter and 1 year in Tioga.

All three plans raised strong general objections from various medical and hospital organizations. The experiment placed the responsibility of making medical payments upon those persons receiving relief since they were given cash. Practitioner groups protested that the allowance was inadequate.

## MISS UNIVERSE WAS ADOPTED BY MINISTER

LOS ANGELES (AP) — Miss Universe leaves today on an Eastern personal appearance tour, firm in a declaration that her foster parents are "the best parents in the world."

Disclosure that 20-year-old Carol Morris of Ottumwa, Iowa, is an adopted child brought the further statement from her that "I'd never trade them or any in the world" and from the Rev. and Mrs. La Verne Morris:

"No parents could love their children more than we love Carol."

Has Movie Contract  
Miss Morris said she was adopted at the age of 3 and her father said she was adopted from the Omaha, Neb., Child Saving Institute in 1939 while he was pastor

of the Christian Church in Ottumwa, Iowa. He now is a Christian Church pastor in Ottumwa.

He said he didn't know her real parents and she said she doesn't remember anything about them. The minister added that Carol "has known almost from the start" that she was adopted.

## Start To Produce A Faster Missile

WASHINGTON (AP) — The Navy today announced the first production contract for Regulus II, a bigger, faster and longer range version of the missile of the same name.

The Regulus I already is carried by four cruisers, two submarines and four aircraft carriers. The contract for 12 million dollars was awarded to Chance Vought Aircraft, Inc., Dallas, Tex.

Regulus II, like its predecessor, is an air-breathing missile of the pilotless bomber type. It was developed for launching from ships and from bases ashore.

Seeks To Restore Turnpike Guidance

HARRISBURG (AP) — Sen. George N. Wade (R-Cumberland) promised today to introduce legislation next year "to keep maintenance of the Pennsylvania Turnpike where it belongs, with the Turnpike Commission."

"Division of responsibility for the upkeep and safety of the turnpike can only result in nobody being responsible," Wade declared in a weekend statement.

He commented on a recent opinion issued by the State Justice Department giving the highways department responsibility for maintenance of the state's 360-mile East-West highway and its 110-mile Northeastern Extension.

## Cincinnati Gains Ground With Double Win As Phils Nip Braves And Brooklyn And Cubs Divide

By JACK HAND

The Associated Press

Now comes Cincinnati's chance to close ground in the National League race while Milwaukee and Brooklyn slash away at close range in a four-game outthrust series.

The Redlegs edged within 2½ games of the pace yesterday by polishing off the fading Pittsburgh Pirates in a doubleheader. Milwaukee continued to find trouble in Philadelphia and Brooklyn had to settle for a split with Chicago, breaking the Dodgers' eight-game winning streak.

After Cincinnati dropped three straight to Brooklyn, there were hints that the Redlegs were cracking. Instead they swept four from the Pirates and moved back into contention.

**Redlegs Play Bucs Again**  
Cincinnati plays in Pittsburgh again tonight and then takes on the last-place New York Giants in four games while the Braves and Dodgers wrestle.

Brooks Lawrence threw a four-hitter at Pittsburgh for Cincy's 6½ opening victory and Smoky Burgess came through with a ninth-inning double that broke a tie for a 3-2 edge in the second.

Curt Simmons took charge of the Braves 5-2 with Roy Smalley's two-run triple breaking open a tie game in the eighth inning.

**Reese Homer Wins**  
Pee Wee Reese ran the Dodgers' winning streak to eight with an eighth-inning homer for Don Newcombe's 10th big league win 1-0, but the Cubs bounced back with a 4-2 decision as Bob Rush won his 10th game.

The Dodgers are now four games behind Milwaukee and 1½ behind Cincinnati.

St. Louis sank the Giants deeper into the cellar with a 3-2 triumph in 10 innings on Stan Musial's single after singles by Don Blasingame and Al Dark. Among the 10 Cardinals hits were three singles and a double by Dark, ex-Giant shortstop.

**Birthday Victory**  
Casey Stengel celebrated another birthday party at Kansas City with a 5-3 New York Yankee victory over the last-place A's. Bill Skowron hit two homers for the Yanks.

Bob Turley almost went the route in his first start since July 6 but Rip Coleman came in to get the final out when the Athletics got two men on with two out in the ninth. Hank Bauer homered for the Yanks and Lou Skizas for the A's.

Cleveland picked up half a game on the Yanks and now trails by nine after shutting out Baltimore 2-0 and 4-0. Herb Score allowed four hits in the first and Hank Aguirre, recently recalled from Indianapolis, gave seven hits in the second.

**Big Day For Doby**  
Larry Doby had himself a day in Chicago's double romp over Boston 11-2 and 6-3. The White Sox centerfielder drove in eight runs with a pair of homers and a two-run double. Walt Dropo matched Doby's five RBIs in the opener, backing up Billy Pierce's pitching.

Detroit and Washington split a pair on two fine pitching efforts. After Billy Hoeltz struck out 12 and gave only six hits in the 6-0 first game, Washington's Dean Stone held the Tigers to four hits for a 4-1 decision. Stone was only one out away from Washington's first shutout win in 114 games (98 this year) when Bob Kennedy crashed a homer in the ninth.

An oddity of Cincinnati's double win was the fact Burgess' hit was the only extra-base hit by this fence-busting crew. Buster Freeman was the winner in relief of Don Gross as the Reds staged another ninth-inning spurt in the second game.

Milwaukee overcame a 2-0 deficit to tie the score in the fifth on Andy Pafko's 200th major league homer, only to see the Phils chase Warren Spahn in the eighth. Smalley's triple drove in two and he also came home on Richie Ashburn's single.

In addition to breaking the Dodgers' eight-game winning streak, the Cubs snapped their own six-game losing string in the second game. After Gil Hodges and Sandy Amoros hit back-to-back homers and Ruben Walker singled in the seventh, Turk Lown replaced Hodges. He also ran into a jam in the ninth when Brooklyn loaded the bases but struck out pinch hitter Newcombe and retired Junior Gilliam to end it.

Willie Mays of New York and Bobby Del Greco of St. Louis homered in the Polo Grounds before Musial's single broke it up in the 10th. It was Musial's first hit in 13 trips.

**SHOEMEN WIN PAIR**  
The Gettysburg Shoe Co. baseball team took a doubleheader from Table Rock over the weekend, 6-5 and 7-4. The victories gave the shoemen their eighth triumph in 11 games. Hess Antiques will play the shoemen on the company's field Thursday evening at 8:30 o'clock.

Hunterstown's onrushing baseball team chalked up its 11th straight victory Sunday afternoon by nipping the league-leading Bendersville outfit 4-2 at Bendersville in a South Penn Baseball League game before a large crowd.

Bill Heyser, star hurler for Hunterstown, gained the decision over Dick Pitzer. Both pitchers found themselves in tight spots several times due to shoddy support. The triumph moved Hunterstown into second place but one-half game out of first place.

For the second time within a week Greenmount's revamped outfit pulled a surprise by knocking out second-place Mummasburg 5-4 to prevent the losers taking first place. Last Wednesday Greenmount upset Bendersville.

Bonneauville blanked Harney 6-0 at Harney, the loss being the 17th for the Marylanders.

Murren, star Brushtown twirler, whiffed 17 batsmen as he gained a 2-1 victory over invading Littlestown a fine pitchers' battle.

## CURT SIMMONS BEATS BRAVES WITH 6-HITTER

By BRIAN BELL

PHILADELPHIA (P)—Curt Simmons, once baseball's most promising southpaw pitcher but in recent years just another sore-armed hurler, is hoping his miseries are over.

Yesterday he fired a snappy six-hitter at league-leading Milwaukee and struck out seven as he set the Braves down 5-2. It was the fourth straight victory—all complete games—and the fifth win in the last six outings for the Philadelphia Phillies' onetime sensation.

**7-6 Record Now**  
The victory gave him a 7-6 record and had him looking toward a bright future. Last year he was 8-8 and plagued with a sore arm. In 1954 he had a 14-15 record.

"I've been feeling good all year," he said, "and recently I've been getting the old confidence back. Last year, sometimes I couldn't even lift my arm after pitching and it would be 10 days or longer before I could go again. This year I haven't had a bit of pain and I can take my regular turn with three days rest."

He brushed off the question of any special treatments bringing his arm around.

**Winter Rest Helped**  
"I guess I tried everything they told me was good for a sore arm," he said, "but I think it was mainly the rest over the winter that did it."

Simmons, 27, says he may not be as fast now as when he helped pitch the Phils to the pennant in 1950. That year he racked up 17 victories mainly with his high hand one before going into the service a month before the season ended.

"I may not be as fast as I was then, but the ball is alive and that's what counts," he says.

**Next Sunday's Games**  
Blue Ridge at Union Bridge. Also completion of protested game of May 20.

Cashtown at New Oxford.  
Emmitsburg at Taneytown.  
New Windsor at Union Bridge.

Blue Ridge Summit and Cashtown, one-two in the Pen-Mar Baseball League, pulled a bit further away in the league race with victories Sunday afternoon.

The Summiteers topped invading New Oxford 6-3 while Cashtown took a 2-1 decision from Taneytown at Cashtown.

Taneytown tallied its only run at Cashtown in the third inning. Herring singled and Fogie sent a long double to right. Fogie threw to Gilbert at second base and when the latter attempted to nail Herring at third base, his toss was wide and Herring scored.

**Win On Rally**  
Cashtown scored both its runs in the sixth. Cloyd Spence singled. A pinchhitter, I. Herring, bunted and when the play was made at second base, all hands were safe. After Rohrbaugh fanned, Fisel singled to drive in Spence. Herring went to third and on the next pitch went home with a beautiful slide. Taneytown protested the call at the plate which resulted in Fogie being ejected.

Jim Spence hurled one of his best games for the winners, turning in hitless ball after the third frame until a safety was made in the ninth. His opponent, Blizzard, also turned in a brilliant performance and fanned 14.

A grand slam homerun by Lambert in the third inning was too much for Fairfield to overcome as New Windsor took a 6-4 decision on its home field. In the ninth K. Deardorff singled and S. Scott doubled for Fairfield but the next three batters went down.

Emmitsburg pulled up into a tie for seventh place with New Oxford by outslugging Union Bridge at Emmitsburg 13-10. Clark homered for Emmitsburg with two on in the second.

Bob Satterfield, Chicago veteran, and young Harold Carter of Linden, N. J., box for the third time Wednesday at the War Memorial Auditorium in Syracuse, N. Y. Carter beat Satterfield March 21 after the pair fought a 10-round draw in Miami Beach Feb. 8. The bout will be telecast.

Madison Square Garden presents a Friday match that originally was scheduled for July 13 but was set back due to an injury to Joey Giambra's hand. The Buffalo, N. Y., middleweight takes on Rocky Castellani of Cleveland, once the No. 1 contender.

## Stockholm Crewmen Says Liner's Engines Reversed Before Crash

NEW YORK (AP) — A crewman says the powerful engines on the Swedish liner Stockholm were reversed before the ship plowed into the Andrea Doria.

Bernabe Polanco Garcia, 36-year-old Spanish seaman on the Stockholm, also said he was sure the foghorn on his ship was silent before the disastrous collision.

The Italian Line, meanwhile, listed 2 passengers from the sunken Doria as known dead, 18 missing and presumed dead and 37 unaccounted for. The ship carried 1,706 passengers and crewmen.

**Captains Silent**  
The line trimmed the number of unaccounted for from 73 to 37. Many of the 37 are believed safe. They may have failed to register with the line in the confusion that surrounded the return of survivors. The streamlined Stockholm and the modern 30,000-ton Doria collided late Wednesday night in heavy fog south of Nantucket Island, Mass. he Doria sank the next day.

Captains of both ships have declined to voice publicly their opinions as to how and why the accident occurred.

The 12,600-ton Stockholm which suffered a crushed prow, is now in a Brooklyn drydock for repairs.

**Can't Be Mistaken**  
Two Stockholm crewmen died in the crash and three others are missing and presumed dead.

Crewman Garcia said he could not be mistaken about the silence of the Stockholm's foghorn. When the horn is operating, he said, the sound is overpowering.

He also insisted that the Stockholm's propellers were thrashing

in reverse before the crash. He said years at sea had taught him to recognize the "braking" sensation.

### Criticism And Praise

In the wake of passenger criticism and praise of the part played by the Doria crew after the collision, two Stockholm passengers said the officers on their ship gave no directions in the emergency.

Mr. and Mrs. Richard Post of Farmington, Conn., said Stockholm passengers rushed to the deck after the collision but found no one there to give instructions or describe the condition of the ship.

The couple commended the officers and crew for their later rescue work, however.

In another development, the Italian Line announced it has not abandoned legal possession of the luxurious Doria. The 29-million-dollar liner is lying on her side 160 feet beneath the waves.

## Man Jailed For Assaulting Woman

BALTIMORE (AP) — Bernard B. Cummings of Chester, Pa., was sentenced to jail for six months on charges of assaulting a woman and a policeman. He also was fined \$50 yesterday on a charge of disorderly conduct, but the fine was suspended.

Patrolman Emory Warfield said in Police Court he answered a call about a disorderly crowd at a bar in south Baltimore shortly before closing time early yesterday.

He found Edna Leona Wheeler of Chester, Pa., bleeding from face wounds. Warfield said he attempted to arrest Cummings who jumped into his car.

The officer grabbed Cummings through the window and was dragged a half a block before being thrown into the street. Other officers arrested the Pennsylvania man after a 15-block chase.

## PARTIES DIFFER LITTLE DURING 84TH CONGRESS

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP)—What Democrats and Republicans showed in the 84th Congress, just ended, was their similarity. But to hear them, from now till election day, you might think they were as far apart as an apple and an egg.

Any differences between them are more in degree than in kind. In this period of prosperity and relative peace, there was no public demand for new or radical changes. None was made.

At times differences within the parties seemed greater than those between them. For example: between Northern and Southern Democrats and between the Republican "right" and "liberal" wings.

Voters in the past two elections showed they don't recognize much difference between the parties. In 1952 Republicans, riding President Eisenhower's coattails, were given control of the 83rd Congress by a slim majority although Eisenhower himself won overwhelmingly. In 1954 the Democrats won control by a slim majority.

**Mixed-up Nature**

The mixed-up nature of the two parties appeared in the 84th Congress, just as it did in the 83rd, but never more than in the 83rd when Eisenhower's own Republicans gave him more trouble than the Democrats.

And the Republicans, for 20 years protesting the New Deal and

"Fair Deal" programs, have not attempted to repeal any major one of them since Eisenhower took office. Instead, they worked to expand some of them.

For example: This year Eisenhower wanted Social Security broadened. The Democrats, who originated Social Security, broadened it more than he asked.

The minimum wage law was a product of the New Deal. Eisenhower last year wanted the minimum wage raised from 75 to 90 cents an hour. The Democrats upped it to \$1.

**Civil Rights Dies**

Eisenhower offered a civil rights program. The House passed it in the closing days of the 84th Congress and it died in the Senate. He should have fought harder for it and offered it earlier.

But no matter when he offered it, it was almost certainly doomed by the Southern Democrats.

Democrats have tried to build a campaign issue by blaming the Republicans for the "giveaway" of natural resources. But they'll have a tough time convincing anyone the label doesn't apply to them too.

In foreign affairs the Democrats gave Eisenhower a huge measure of support. It was some of his own Republican leaders in the Senate who gave him some of his biggest headaches in the foreign field.

**Dual Credit**

Both parties may claim credit for setting up the gigantic highway building program. The best they can do is split the credit. Eisenhower wanted it; so did the Democrats. They differed on how to pay for it. The Democrats' idea of financing won out.

## SECOND TRIAL IN SLAYING OF STUDENT OPENS

ANNAPOLIS, Md. (AP) — Gregory M. Dell-Pizza, accused of killing another man in a fight over a night club dancer, is scheduled to go on trial in Anne Arundel County circuit court today.

It will be the second trial in the case for the 26-year-old University of Maryland medical student. The first trial in Baltimore last May ended in a deadlocked jury after almost seven hours of deliberation. The case then was moved here on a change of venue.

Dell-Pizza, formerly of Weirton, W. Va., is accused of murdering Dr. Richard M. Wick, 52-year-old Allentown, Pa., metallurgist.

**Said Wick Made Advances**

Wick died two days after hitting his head on a hotel lobby floor during a fight last February. The fight followed an argument over Wick's alleged attentions to the night club dancer. At the first trial, the defense contended the older man was the aggressor in the scuffle.

Dell-Pizza was engaged to the dancer at the time of the incident and since has married her.

The former Charlotte Holland, of Huntington, W. Va., she used the name Jeanne Winters professionally. She testified in the first case that Wick made advances to her.

## STEEL WORKERS WAIT PATIENTLY FOR OLD JOBS

By GIB STALEY

PITTSBURGH (P)—The nation's 650,000 striking steelworkers, who will get a pay hike in an unprecedented three-year, no-strike contract, waited patiently today to get back on the job.

The green light will be flashed as soon as industry officials and the United Steelworkers can write the contracts to end the walkout, now in its 30th day.

A memorandum of agreement on the master contract was initiated by the union and the largest producers Friday. Now, individual contracts have to be written with the steel companies, which represent 90 per cent of the nation's basic steel production.

Not An Easy Task

A top union spokesman in New York City, where the union and industry officials are writing the contracts, emphasized last night

that it is not an easy task. He said: "It may be a few days before we get everything signed and the men start getting back to their jobs. I just can't say how long it will be."

Most industry and union officials believe the involved contracts will be completed this week. In past contract negotiations, U.S. Steel Corp. — largest producer in the world — usually signed first and the remainder of the industry fell into line.

Incentive Rates Differ

This year, U.S. Steel and the No. 2 and No. 3 companies — Bethlehem and Republic Steel — joined in contract talks. But they spoke for all the 12 largest companies in the joint negotiations.

The various companies now are trying to work out many contract details such as incentive rates which are different throughout the industry.

Under their old contract the strikers averaged \$2.46 hourly. The new pact gives them an immediate wage boost of 10½ cents the first year, 9½ cents the second year and 9½ cents the third year.

Cost Over Billion

In addition, the contract pro-

vides automatic wage adjustments every six months if the cost of living increases. The union also received Sunday premium pay for the first time, a seventh paid holiday, and a 52-week supplemental unemployment benefit program assuring 65 per cent of basic pay in the event of layoffs.

The union estimated the value of the three-year package at 45.6 cents. Industry sources estimated it totaled between 52 and 55 cents. Steel magazine, the metal working weekly, estimates the strike already has cost the nation about \$1,118,000,000 and that its inflationary impact will be felt into 1957.

Expect Steel Rise

The magazine estimates the loss in steel product sales at 880 million dollars. It estimates steelworkers lost 200 million in wages and workers in other industries affected by the strike lost 38 million.

It is expected the steel industry soon will announce a price increase. Guesses on the size of the boost range from \$8 to \$12 a ton. The composite price of steel before the strike was \$130 a ton.

While the union and industry worked on completing their contracts, some mine workers were called back to work today. And railroads, anticipating the quick return to steel production, alerted furloughed crews to stand by for orders.

## "Oops" Loses Bid For Bridge Player

NEW YORK (P)—What may be the lowest bid in bridge history—"less than one club"—was made yesterday in the national summer tournament of the American Contract Bridge League.

A dealer dropped his cards to the floor and said "oops." The next player thought he had heard "pass," and bid one club.

The dealer protested an out-of-turn bid.

The referee ruled: "Players must not make misleading remarks. 'Oops' will be treated as a bid of less than one club."

## Old Fiddlers To Picnic Saturday

On Saturday there will be held at Lenape Park on the Brandywine the 28th annual picnic of the Lenape Old Fiddlers Association. The park is near West Chester, four miles above Chadds Ford.

This old fashion frolic, which last year drew a large crowd from seven states, lasts from 10 a.m. until midnight.

All musicians, singers and dancers are invited to take part. Jennie Kirkhaff, blind fiddler of Northern Pennsylvania, will again be present.

Communications relative to program are to be sent to the secretary of the association, Mrs. Daisy Kelly of 332 Charles St., Coatesville, Pa.

## Transient Is Killed By Hit-Run Driver

CONKLIN, N. Y. (P)—The victim of what police say was a hit-run accident has been identified through fingerprints as Robert E. Horton Sr., about 60, a transient.

Robert Meanor, 20, of Susquehanna, Pa., has pleaded innocent to a charge of criminal negligence in connection with the death and is being held for grand jury action.

## YOUNG COOK IS HELD IN SLAYING

MONTEREY, Calif. (P)—A young Army cook came up for arraignment today for the assault-slaying of a vacationing New England girl.

Pfc. John Kruse Jr., 21, of St. Paul, Minn., was jailed on a murder charge Saturday a short time after Anne Shay, 20, of Fairfield, Conn., was brutally slain in a patio of a Monterey hotel.

Police Chief Charles Simpson said Kruse admitted beating her to death when she resisted his advances as he was returning her to her hotel following a birthday party.

Horton's body was found Thursday afternoon below Big Snake Creek Bridge in this Broome County community. Identification was made Saturday after his fingerprints were sent to the Department of Correction in Albany.

Meanor has been quoted by police as saying he saw a man on the bridge but swerved his car to avoid hitting him and crashed into a bridge railing.

It is estimated that small loan companies receive their largest single number of applications for medical loans.

## Art Garrison Wins Pa. Publix Title

HERSHEY, Pa. (P)—Art Garrison of Hershey, is the king of Pennsylvania's public course golfers, but it took him four years of first class shooting to make the grade. The 37-year-old draftsman won the 21st annual Publix championship on his home Hershey Park Course Saturday with a 73-72-77-295 in three days of play that started last Thursday.

For the past three seasons Garrison won the medal for low score on the first 36 holes of the competition, but he always ran into difficulty on the final nine holes in the last half of the rugged 72-hole amateur tourney to miss getting the title.

Kruse surrendered to military police and confessed moments after abandoning the nude, blood-smeared body, the chief said.

Miss Shay whose father, Herbert E. Shay, is tax assessor at Fairfield, arrived Friday with two girls with whom she had been touring the nation. They are Carolyn Kuebler, 19, of Allentown, Pa., and Rachel Anderson of Frenchtown, N. J.

Kruse met the girl when she went into town to telephone relatives and persuaded her to attend the party.

# ...and they never seem to end!

With performance that makes  
Ford the world's largest-selling "eight"!

You need only glance at Ford's competitive record for '56 to see why Ford's the performance choice of thousands and still the V-8 champ! Need more proof? In any Fordomatic Fairlane or Station Wagon model, you can have the biggest, liveliest V-8 engine in the entire low-price field.

The Thunderbird's own V-8—with 225 h.p.—is the same engine that has powered the fabulous Ford Thunderbird into the hearts of so many sports-loving Americans. For hill-melting magic and peace-of-mind passing ability there's never been anything in a low-priced car like it!

You get extra built-in quality throughout the whole Ford car. For example, only Ford in its field has a sturdy, 5-cross-member frame—a front stabilizer for surer-footed roadability—a tight, quiet all-steel body with insulation that matches the expensive cars. These and many more quality features add up to make driving a Ford far more fun for you.

You get Ford's famous savings. And it adds up! For a Ford V-8 again beat everything in its class (including Sixes) in the famous Mobilgas Economy Run. And even Ford's 202-h.p. Thunderbird V-8 feeds on "regular" fuel.

And worth that keeps . . . even

through resale! Take a good look at a Ford and you'll agree that a Ford has much more in common with cars costing hundreds more than it does with cars in its own price class! That's

why a Ford is actually worth more than the price you pay for it new. And come the day you decide to sell it, you'll be delighted with the way Ford holds on to its value, too!
